

## **By His stripes I'm healed (Jan Vossen 1 juli 2011)**

B7 E B7 E B7  
By His stripes I'm healed! By His stripes I'm healed!

(body)/(devil)/(doctor)/(aunt Suzie)  
E A E B7 E  
(Body) don't tell me no lies, By His stripes I'm healed

E A  
In the world they try to convince me,  
E A  
It's normal to suffer disease  
E A  
But I am no longer a victim,  
E B7 E  
For He suffered the stripes on that tree

The devil has tried to convince me,  
The Lord was indifferent to me  
But the Word and the Spirit have shown me,  
How He carried away my disease

And even if I'd lose a battle,  
And they carry me into a grave  
I'll be singing inside of my coffin,  
By His stripes I'm healed

And as soon as I rise in His glory,  
I'll be dancing in front of you all  
And I'll shout: Hey, look I have told you,  
By His stripes I'm healed!
